The Baths, Helwan. Helwan, situated about 17 miles from Cairo, is favoured with modern medicinal Baths of the most up-to-date description, and perhaps also the most ancient on record, as the sulphur waters by which they are supplied are known to have been used for their healing virtues as early as 1760 B.C.

The Baths, combined with the wonderful desert climate, make Helwan an ideal winter health resort.

We are having
lovely weather,
+ intend facing
this place on
the other side.
Have had a ride
on a camel; but
don't intend to bring
one back. Love you all.
